#### **5. Members' Successes** Just a chance to blow our own trumpets!

Sheila Kissack was very successful at the National Connemara Breed Show in Warwickshire with her homebred mare Tara. She came 2<sup>nd</sup> In-hand, 1<sup>st</sup> in Novice Ridden Mare, Reserve Champion in the Novice Section and won Best British Bred Mare.

Liz Davidson and Hannah Garnett came 2<sup>nd</sup> in the Level 2 Pairs at the British Trec Championships in Scotland. Helen Wain won the 'Best Condition' cup with her horse Willow, and the 'Bowland Babes' won the Top Team award.

Many thanks to member Diane Richmond for starting up Trec in this area and organising so many events. Have a go!

6. **Forest Access** The BHS is organising a campaign against the plan to provide free forest access for walkers and cyclists, but in which horseriders will have to buy a permit. Postcards were available at the meeting to fill in and send off, or visit BHS website.

7. **Whittington Ride** Unfortunately this had to be cancelled due to the wet ground. Our next fundraising ride will be held next April in the Warton area.

8. **Tack Sale** Help is needed on Sunday 18 October to provide refreshments, set up tables etc. A list was circulated at the meeting, also posters were distributed for displaying.

9. **Monthly Led Rides** Barbara mentioned that she often receives notes thanking NLBS for the rides we organise, obviously much enjoyed.

On 27 September Eve will lead a 'sedate' ride on the foreshore at Hest Bank starting 11am. Everybody welcome but please phone her first.

10. **Forthcoming Events** These were displayed on the noticeboard at the meeting

11. **Speakers** At future meetings there will be talks on homeopathy, euthanasia, pasture management etc.

12. **Posting Minutes Secretary** Barbara had put out an appeal for a new volunteer for this post, as Gina Prill is retiring. Thanks to Gina for all her hard work. Wonderfully, 3 people have volunteered.

13. **Raffle** A popular part of the meeting as usual.

14. **Any other Business**

i) There is a proposal for provision of 2 wind turbines near the University. NLBS has replied that we have no objections.

ii) The Millennium Path is overgrown in places and Eve suggested that members might like to help out by cutting it back one Sunday.

iii) Small bales of hay are available again on Melling Green £2 per bale.

iv) There is a problem on the Lancaster/Morecambe Cycletrack near the Trimpell, where horseriders are allegedly galloping dangerously, leaving poo etc. This has led to complaints from other users and is very frustrating when we are trying to obtain permission to ride there.

v) Bridget's proposed Hincaster Trail is coming along nicely, but volunteers are needed to pledge their time in working on the project. This will then be match-funded.

vi) Helen Wain's Horseowner's Certificate course starts on 22 September at Over Kellet Village Hall, for anyone interested. Contact no. in viii

vii) A farmer in Yorkshire is attempting to prevent access on his land. NLBS members voted to donate £200 to fight against it, proposed by Sue Clowes, seconded by Barbara Hartley.

viii) Anna Twiname has a lovely Clydesdale X gelding for loan as companion only, a real gent. 015395 67699 : Helen Wain has a 15.3 for sale, no details sorry. Tel. 01524 736606, or [07910 252888](tel:07910252888)

Unfortunately the speaker for the evening was unable to attend. Instead the **DVD of the Morecambe Cross-Bay Ride** was shown. The first part of the DVD showed the riders preparing themselves and their horses for the ride, which took some time as they had to wait for the tide to go right out. Then they were off, following the famous Cedric Robinson. Most of the 20-mile round trip took place at a sedate walk and trot, until they reached the crossing of the River Kent, when many riders had a very exhilarating canter. All the horses looked absolutely shattered at the end.

The ride was filmed by the Financial Times and the Westmorland Gazette, who both printed interesting articles as a result.

The DVD, with its very fitting musical accompaniment, is a lovely record of this event. The ride takes place once a year, sometimes twice, and the DVD will have certainly encouraged many members to have a go!

**Date of next meeting 7.30pm Tuesday 10 November 2009 at Hest Bank Memorial Hall.**

**Please come along and bring a friend.**

Member Lorraine Hind will give a presentation with photos. about bridleways in the area.
