

NORTH LANCS BRIDLEWAYS SOCIETY

Minutes of meeting held on 12.07.2011

- Welcome:** Eve welcomed all members to the meeting and the membership secretaries, Kate and Adele announced eight new members: Jackie Bates, Kathryn Dawson, Hannah Garnett, Sally Houghton, Kathy Lakeland, Heather Lawson, Jonathon Riseborough, Samantha Riseborough and Gillian Woods. Sympathy cards have been sent to Phyllis Capstick and Carol Hill's Yard.
- Apologies:** Kath Woods, Sue Hay, Sheena Shelmadine, Julie Seco, Sharon Cash and Anna Twinane.
- Minutes of Last Meeting** were confirmed as a true and accurate record, proposed by Jean Smith and seconded by Liz Davidson.
- Matters Arising:** Led Rides: (i) 02.08.2011 Austwick, (Settle area) , Kath Richardson on 01524251488 (ii) 06.08.2011 Knott End, Angela Leadbetter on 01253810305 (iii) 23.08.2011 Cross Bay Ride, Humphrey Head 11.45 am, Phyllis on 01729850295 (iv) 07.09.2011.
- Membership Renewal:** In order to keep our membership subs up-to-date it was suggested that members remind friends and acquaintances to renew. Standing orders were suggested as an obvious way to renew. £5 pa. is realistic for what we get.
- Bridleways Update:** (i) a new gate is still being planned for Bolton-Le-Sands bridleway (ii) Crook O' Lune road diversion is dangerous so take care in that area.
- Cantsfield Bridleway No3:** - Barbara Hartley told us that she hoped the crossing of the River Greta on BW 3 at Cantsfield could be taken forward. There had been no progress since a site visit by Jayne Elliot and Clive Weeks, after which Natural England found the presence of otters. This had put a stop to everything when it was near completion. Barbara wrote to David Goode, who has taken over as Public Rights of Way Manager at County Hall, asking how we could move forwards.

The other BW at Burrow with Burrow, BW11 goes across the River Lune to Whittington. The entrance to the river on the eastern side is obstructed and impassable for horses.

Barbara wrote to David Goode about these points and received a positive reply immediately! Main points as follows:-

- BW3 at Cantsfield -The officers in Environmental Projects have not given up on this crossing and further talks are planned.
- BW 11 – Burrow with Burrow and BW 13 – Whittington. The obstruction is not actually blocking the BW but the depth and stability of the river needs investigating.
- On Coneygarth Lane a short section of public road each side of the River Lune needs joining and claiming as a BW, this should not be too difficult to achieve. Again access was a problem.

Mr Goode suggested that the way forward was to:

1. Gain support from local parish, district and county council
2. Investigate funding
3. Submit a Definitive Map Modification Order for BW link across the River Lune
4. Inform the Rights of Way Office of any BW obstructions

Barbara was pleased by the reply and put it to the meeting that a response was needed.

Points raised:

- Mole End Equine and Animal Study Centre near Burrow with Burrow had promised support and use of facilities for a possible meeting.
- We need to hold a meeting and contact all suggested, plus any local riders who would use these crossings.
- We should contact our President – Lady Reay at Whittington for her support.

Eve thanked Barbara for her tremendous effort on our behalf (she wished every member was so bridleway inspection conscious).

- 8. Horsecatch:** It was felt that there is a need for this in the area. Farmwatch is a similar organisation to which some members belong. However, if anyone is interested in forming a group phone 0845 3300247.

9. **Hincaster Trailway:** Funding is now forthcoming for the disabled walkway. This is to be matched with volunteer labour. A Team Building Day can be arranged. Contact Bridget 20.08.2011.
10. **National Trust:** Eve spoke to a NLBS member who had been in touch with a NT officials and he suggested permits might be available to ride on NT land. Eve will follow this up.
11. **NLBS Welcome Pack:** This has been revamped by Janet Casey for which all our thanks.
12. **Cheviot Ride:** Eve and Sheila's trip to the Cheviots was brilliant. They would like to share this and to this end Discover Off-Road Riding - A Practical Guide, Kate Godfrey and Shonagh Stevenson's book is invaluable. Eve will purchase three copies to loan to members.
13. **Any Other Business:**
 - i. 08.09.2011, 7.30 Jo Birkbeck will give another of her demonstrations on horse handling and much more. Venue: Beaumont Cote Indoor School. £5 on the door and bring a chair.
 - ii. Change to the November Meeting. This will be on Monday not Tuesday 07.11.2011 in the large hall. It is anticipated that there will be a lot of interest in Vyv Wood-Gee's talk on her ride with two fell ponies from the Isle of Skye to Smithfield Market, London. There will be a raffle for Cancer research, prizes would be very welcome. Bring your friends.
 - iii. Photos are badly needed for the publicity board and the newsletter. Members were urged to bring interesting photos to the meeting.
 - iv. Janet Darwen's sponsored walk has raised £5k so far. Thank you to everyone for supporting this.

Corrine Maxted, Equine Chiropractor gave an interesting illustrated talk on her work practising the McTimoney Animal Therapy method which also applies to dogs.

Date of next Meeting 13.09.2011 Mr Peter Boustead, the well-known native pony judge, will give a talk on Judging Ponies.

Additional information:-

'Hoof' Network - The official launch in various places around the country, made possible by the British Equestrian Federation. Open to all Equestrian sector businesses/organisations who are interested in helping the growth of Equestrian Sport. This is a great free opportunity to network and influence your equestrian community development. Ideal forum for Riding Centre Proprietors/Managers, Equestrian Club leaders, Regional/County Equestrian officers, anyone with a keen interest in local equestrian activity and raising the profile. The aim of the Hoof Network

- Offer advice, guidance & workshop support on the opportunities for the Equestrian Businesses to Grow and raise standards
- Consult with local Equestrian Businesses to understand challenges and find solutions
- Provide a local Equestrian forum from which to raise awareness, share good practice, and gain support
