

NORTH LANCASHIRE BRIDLEWAYS SOCIETY

Minutes of meeting held on 9 January 2018

1. **Welcome and new members:** Eve welcomed everyone to the meeting.
2. **Apologies:** Kate Lennox, Sue Clowes.
3. **Minutes of Last Meeting:** were confirmed as a true and accurate record.
Proposed: Ann Rigby, seconded Frances Clisham.
4. **Matters Arising:** None.
5. **Bridleway news:**
 - (i) A meeting is to be arranged to discuss potential bridleways identified by the Lost Ways Co-ordinator.
 - (ii) A Scoping Opinion (pre-planning application) for a large residential development at Home Farm Ellel Grange, Main Road, Galgate LA2 0HN has been submitted. Bridleway 3 is a dead end though it continues as footpath FP4 so there could be potential to upgrade to multi-user path especially if it would accommodate more people. There is also FP 13 in the area that would help create a safe route for all users. The group have written to ask that, should the development go ahead, consideration be given to include multi-user paths through/around the development.
6. **Any other business:**
 - (i) Used postage stamps for Bransby Horse welfare charity. Bring any used stamps along to the next meeting and Eve will send them on to the charity.
 - (ii) Newsletter – please send any articles, reports, hints, tips, suggestions etc to sheena@creativemarketingsolutions.co.uk
 - (iii) Calvert Trust '*challenging disability through outdoor adventure*' - following their informative presentation at our last meeting we have been provided with dvds showing their work. Please contact Eve if you would like to borrow one.

Speaker: Liz Davison, TREC GB International rider and member of Bowland TREC Group, gave an interesting talk on tackling the challenges faced when travelling a horse to Europe for competition.
